UPLIFTING SPIRITS THROUGH LANDSCAPES

Joy and happiness emanate from Johnathan Harris' acrylic paintings.

BY EMILY VAN CLEVE

Johnathan Harris adores bright colors. He's a positive and passionate painter whose greatest artistic joy is to share uplifting feelings through his vibrant landscapes. As he applies multiple layers of acrylic paint to the canvas, he's energized by the experience. Harris' incredible joie

de vivre is as real as the landscapes that inspire him. His youthful appearance can be deceiving. Inside the heart of this young painter lies a mature and accomplished artist with great wisdom and insight.

Born in a small rural community in

Arkansas, Harris knew he wanted to be an artist when he was a child. His earliest memories are of finger painting with watercolors. He was fortunate to have daily art classes in high school where he became exposed to working with a variety of media.
